

Dr. Pym, of the Fourth Form at St. Percy's, has a hard time teaching Greenbottle and the other dunces in "Yes, What?" The pupils took the Master to Court for using the cane a few weeks ago, but Dr. Pym couldn't get along without it. "Yes, What?" a rollicking schoolroom farce, is heard from 2CH Tuesdays and Thursdays at 8.45 p.m. From November 14, "Yes, What?" will be heard at 7 p.m. on four nights each week, Mondays to Thursdays. It's one of the many excellent features of the splendid programme being broadcast by this progressive station.
